

STAND UP DESKS

LEVEL UP PREMIER – STANDING DESK CONVERTER

LVLUP PREMIER

Stand up for your health, success, and productivity with Luxor's new Level Up Premier—a top-of-the-line standing desk converter. The two-tier design offers more workspace and improves ergonomics by keeping monitors at eye level. A spacious 37" wide desktop accommodates dual-monitors and numerous accessories, while the lower level comfortably houses a keyboard and mouse. The Level Up Premier's spring-assisted lifting mechanism smoothly raises and lowers, allowing for quick and seamless height adjustments throughout the workday. With a sturdy steel frame and well-constructed base, this sit to stand desk remains stable even at its maximum height of 18 inches. Deliver a high-quality, affordable solution and change the way your customers work with the Level Up Premier Standing Desk Converter.

- Meets ANSI/BIFMA standards; remains stable even at maximum height of 18 inches
- Easily added to any surface to create a standing workspace
- Holds up to 50 lbs. and easily lifts dual-monitors and laptops
- Two-tier design helps posture and maintains space for accessories
- Comes preassembled and saves space by lifting vertically
- Easily moves from sit to stand in seconds with spring-assisted lift mechanism
