

STAND UP DESKS

STANDING DESKTOP DESK

The 24" and 32" Desktop Standing Desk will convert any table, desk, or work surface into a standing workstation. As one of the most affordable and easy to use solutions on the market, it ships in only one box and assembles in under 10-minutes (simply attach the legs). With either a 24" or 32" desktop space and 6 different height settings, the Desktop Standing Desk has space for multiple monitors, keyboards, and more. Businesses and individuals can now obtain the health benefits of standing desks without breaking the bank.
