

STAND UP DESKS

STANDING CORNER DESK STANDUP-CCF60-B

The Crank Adjustable Standing Corner Desk is a mobile solution, perfect for any office environment—no matter how it's shaped. Every workplace has its own unique shapes and sizes, and the new Luxor Crank Adjustable Standing Corner Desk is designed with these variations in mind. Its strategically shaped edges allow it to be positioned between corners and walls and maintain ample space for equipment and cables. High-quality, cost effective materials and KD packaging let you pass on major savings to your customers. Rather than offering customers square pegs for round holes, be the one to deliver the standing desk that is ideally suited for a variety of environments.
