The TC pneumatic caster carts are useful for holding and transporting items big and small. Industrial 8" pneumatic casters provide a cushioned ride, shock absorption, and smooth and quiet operation.

The TC Pneumatic Caster Cart is the perfect addition to warehouses, hospitals, restaurants, and many outdoor environments.

Regardless of topography, the pneumatic casters can even smoothly transport cargo on rough terrains like gravel or dirt.

- Shelves and legs are constructed with an injection molded thermoplastic resin
- 2.5" deep tub shelves
- Ergonomic push handle molded into top shelf
- Four 8" zinc-plated casters, two stationary and two swiveling with locking brakes
- 400 lbs. maximum weight capacity (evenly distributed)
