

DIVWT - CLAMPXL

RECLAIM® ACRYLIC SNEEZE GUARD - EXTRA LARGE CUBICLE WALL CLAMPS

This clamp kit is intended for use with Luxor DIV-series Acrylic Sneeze Guards. Following are use cases where these clamps are needed:

- Installation of a DIVWT Clamp-On Cubicle Wall Extender on a cubicle wall that exceeds the maximum 2.13" clamp range of the standard cubicle wall clamps
- Conversion of a DIVCL Clamp-On Acrylic Desk Divider or DIVTT Freestanding Tabletop Sneeze Guard to a cubicle wall extender

Choose the **2-pack (DIVCLWT-2XL)** for 24", 30", and 48" panels.
Choose the **3-pack (DIVCLWT-3XL)** for 60" panels.

Features:

- Allows DIVWT Cubicle Wall Extenders to mount to extra-thick cubicle walls
- Also allows conversion of DIVCL Desk Dividers and DIVTT Tabletop Dividers for use as cubicle wall extenders
- Mounts to the tops of cubicle walls between 1.13" and 3.5"
- Hand-adjustable clamps and three tool-selectable clamp ranges allow for a precise, secure fit
- Easy assembly and installation

Specifications:

- Includes: 2 clamps (24", 30", and 48" models) or 3 clamps (60" models)
- Mount material: Powder-coated aluminum
- Total clamp range: 1.13" to 3.5"
- Tool-selectable clamp ranges (3): 1.13" to 2", 2" to 2.625", and 2.625" to 3.5"
- Required tools: Allen wrenches (included) and Phillips screwdriver (not included)
