

STAND UP DESKS

24" FOLDING STUDENT DESKTOP STUDENT-D

Create an active learning environment with Luxor's student desktop desk with foldable legs. This workstation easily converts a traditional desk or table into a standing desk, or it can be placed on the floor for those students who prefer working while sitting. The STUDENT-D comes preassembled and is height adjustable in 1" increments while its four collapsible folding legs allow easy storage in the Luxor Student Desk Dolly. Teach your students using flexible furniture that allows them to work the way they want to work while improving their overall health and engagement.

Features:

- Adaptable to any flat surface; perfect for desktops, tables, or floors
- 24" surface area creates a spacious desktop for school work and computer devices
- Four foldable legs allow for convenient storage
- Snap buttons and aluminum telescoping legs adjust height in 1" increments
- Convenient carrying handle provides easy mobility
- Holds up to 75 lbs. evenly distributed
- No assembly required

Dimensions:

- Overall dimensions: 24"W x 18"D x 11.5" – 16.5"H
- Desk Surface: 24"W x 18"D
