

26" TWO-SHELF AV CART AV26

This shortened, fixed-height version of our best-selling, customer-tested multipurpose utility cart will securely store and transport your valuable electronic equipment from room to room. The steel construction and robotically welded shelves ensure long-lasting durability in demanding environments.

Textured mats and retaining lips help ensure shelf contents stay securely in place while the 26" overall height keeps it compact and maneuverable. Highlights include a three-outlet electrical assembly for convenient power access and four high-quality 4" full-swivel casters, two with locking brakes.
