SHOP DESK WITH PIGEONHOLE BIN UNIT AND OPTIONAL LOCKING CABINET

If you seek a functional workstation for demanding warehouse, distribution, or garage environments, look no further.

Luxor's Shop Desk with Pigeonhole Bin Unit is built tough, mobile, and offers a host of clever storage and organization features to help workers stay organized and productive.

For starters, the sloped writing surface is height adjustable and includes an integrated paper stopper to keep documents secure. AC and USB-A outlets are placed within easy reach for convenient access to power. The included pigeonhole bins, storage tray, locking drawer, and display rail/document holder ensure there's a place to keep all important desktop items organized.

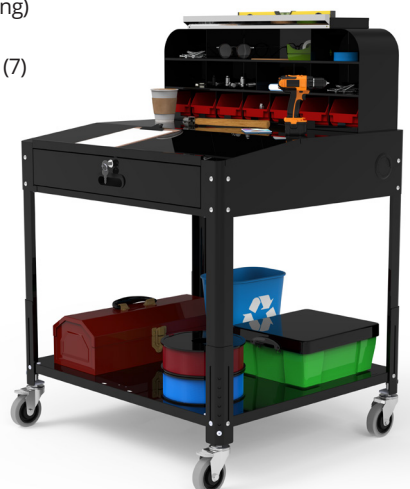

In standard form, the shop desk offers an expansive open area beneath the desktop for storage of large and bulky items. Or, if additional secure storage is needed, users can add the optional locking cabinet, which installs effortlessly with string-loaded hinge pins.

Dimensions:

- Overall dimensions: 34.5" W x 31" D x 49.25" to 55.25" H
